

NEW LOOK Same Quality

As part of our ongoing commitment to innovation and excellence, Botswana Vaccine Institute (BVI) is excited to introduce the new look and feel of our vaccine product labels. This initiative aims to enhance brand recognition, improve clarity, and ensure consistency across all our product lines. We are pleased to share the updated product names and their respective new label designs below. These enhancements will allow for a seamless transition while maintaining the high quality and reliability that our customers and stakeholders have come to trust.
